

Supplier Information

Join Golden Land's material supplier and vendor network.

ABOUT GOLDEN LAND

Golden Land Construction & Development Inc. is a California design-build contractor serving residential, commercial, and public-agency clients. As we expand into public work, we are building a reliable network of suppliers who can support agency timelines and documentation requirements.

CATEGORIES WE'RE BUILDING

- Concrete, cement, and reinforcement
- Framing and structural materials
- Building materials and finishes
- Jobsite equipment and consumables
- Logistics, delivery, and warehousing support

WHAT WE ASK OF SUPPLIERS

- Consistent quality and on-time delivery
- Clear pricing and documentation
- Ability to support public-agency compliance needs
- Valid business registration and applicable insurance

HOW TO REGISTER

Send your company profile, categories served, and coverage area to our contracts office. We'll add qualified suppliers to our sourcing list for upcoming work.
